Appeal No. 2007-3749

ORDER GRANTING REQUEST TO RESET HEARING DATE

An oral hearing before a merits panel of the Board of Patent Appeals and Interferences had been set for January 15, 2008. The notice setting the hearing was mailed to Applicants on December 11, 2007. The date Applicants received the notice is not apparent from the record. On January 16, 2008, an e-mail styled "Request For Rescheduling of Hearing" was filed, Applicants requested that the Oral Hearing be rescheduled. The request has been granted.

According to counsel:

[He] respectfully requests that the hearing date be postponed to a later date. We were in the middle of filing a change of address and revocation of Power of Attorney in addition to reassignment of our patents to our new customer number 76171. The Notice of Hearing was sent to Oblon, Spivak et. al. who are no longer our attorneys. We would appreciate time to prepare for the Oral Hearing.

For the reasons given above, it is:

Ordered that the request to reschedule oral hearing to a date after January 22, 2007 is granted. No further request for postponement will be permitted. Any further request for postponement will be treated as a waiver of the Request for Oral Hearing.
